

Some supplemental scholarships will be available from the CEE department.

Bridges, Builders & Society

CEE 3954 (3 credits)

Spring 2017 class

PLUS

TRAVEL to Switzerland & Germany from May 14-25, 2017

Students will learn about famous bridge designs, the builders who created them and the impact to the society where these bridges are located. Students will visit the communities and bridges to finalize the learning in this class.

This class will count as an additional elective for CE majors.

Pre-req is ESM 2204 (CE & CEM majors) OR ESM 3704 (Arch majors)

Program fee for travel is \$2,700. Students will need to purchase their own airfare.

Switzerland & Germany

Travel from May 14-25, 2017
